

Nord-Trøndelag University College

Latgale Planning Region

LETTER OF INTENT - GOOD WILL AGREEMENT

Latgale Planning Region (Latvia) and Nord-Trøndelag University College (Norway) agree to be partners and express their good will for establishing cooperation and partnership with the aim to foster regional competitiveness and to promote economic growth of the respective regions, based on good partnership, participation and involvement principles, applying the following methods:

1. Promotion of human resource capacity through mutual cross border cooperation in different fields;
2. Promotion of experience exchange and study visits for fostering cross border cooperation in such fields as education, culture and innovation etc.;
3. Joint project planning and implementation for fostering cross border cooperation;
4. Contribution to promotion and development of R&D;
5. Foundation of closer links between academic and business communities;
6. Involvement of other related institutions including universities for strengthening mutual cooperation;
7. This agreement may create basis for other agreements to specify the cross border cooperation activities of the partners.

We, the undersigned, agree to sign this Good Will Agreement as a basis for cooperation in fostering the regional competitiveness and economic growth of our regions.
