- Providing live dealers services: branded studios and tables
- Clients: both operators and b2b live casino providers
- Existing clients: 1xbet, Ezugi and N2-Live
- Team of professionals with more than 20 years overall experience in igaming, land based and live dealer games

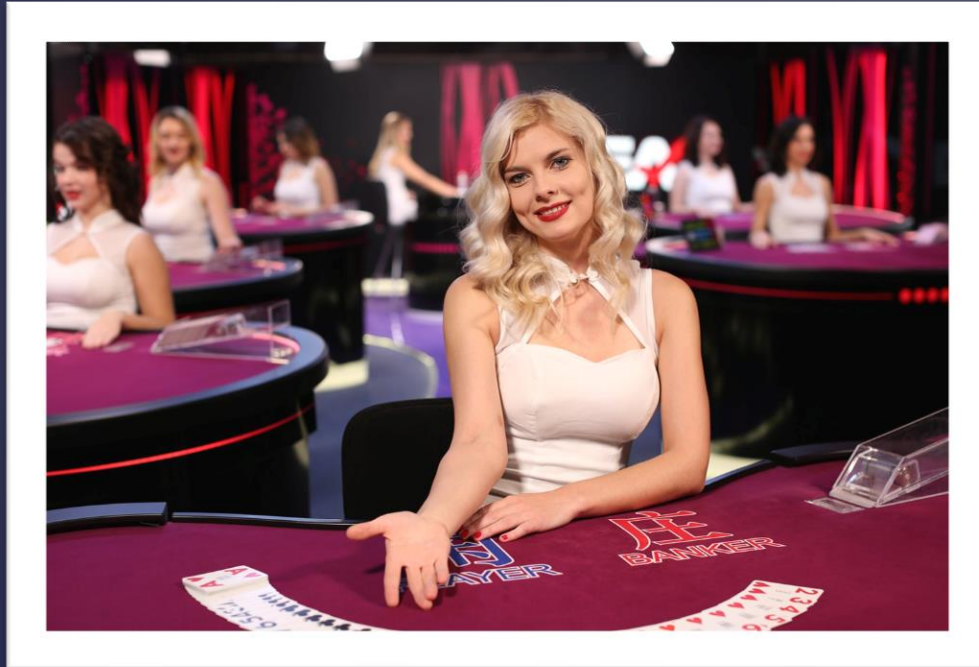

## BRANDED LIVE CASINO TABLES = HIGHER LIVE CASINO GGR

- Branded live casino tables/studios generate 10x more ggr than generic studio tables
- Branded live casino tables/studios average bet amount is much higher than on the generic table
- Average wage amount is almost 200% higher on private/branded tables than on the generic tables

## BRANDED LIVE CASINO TABLES = MORE 'HIGH ROLLERS' = MORE MONEY

- Branded live casino tables/studios attract and retain more 'high rollers'
- 'High rollers' prefer private tables over generic studios – they know the dealers and trust the brand more
- Private tables can also be configured for your requirements: higher min bet amount, different colours, etc.

## WHY US?

- We specialize in live dealers studios, not live casino – fully concentrating on improving video streams, dealers, IT for our clients
- We don't compete with our clients, because we are not live casino provider
